

Finishing **COATED BRUSHED BRASS**Code **GF00067**Family **BRASS**Category **46**

Materials

- Brass

Availability

- Sheet
- Tube

Description

Warm and deep, perfect to suggest an atmosphere that recalls history and tradition, enhancing all the aesthetic properties of brass. The addition of the millerighe effect creates a variety of light and dark shades highlighting the different hues of the material. This is the brighter, light version but you can also choose its darker variant.

Use

- Indoor
- Horizontal surfaces
- Vertical surfaces

Cleaning and maintenance

Use a cotton or microfibre cloth dampened with water and neutral detergent, rubbing it all over the surface. Remove the remaining detergent with a clean cloth dampened only with water. Then, dry the surface. It is advisable to test any new cleaning agents on areas which are not on view

Warnings

To preserve the finish, it is advisable to avoid abrasives, as they can scratch the surface; acids, as they could facilitate oxide formation; products containing bleach or chlorine; solvents. If these substances come in contact with the surface, rinse thoroughly. Prolonged contact with some substances can generate halos. It is advisable to rinse thoroughly in case of spillage on the surface.
