

Finishing **PROTECTED SCOTCH-BRITE COPPER**Code **GF00076**Family **COPPER**Category **50**

Materials

- Copper

Availability

- Sheet
- Tube

Description

The characteristics of copper enhanced by the satin look, emphasizing its character and giving it a sophisticated look. The protected version prevents the typical gradual oxidation of this material, making it suitable for home furnishing environments, preserving its aesthetic features over time.

Use

- Indoor
- Horizontal surfaces
- Vertical surfaces

Cleaning and maintenance

Use a cotton or microfibre cloth dampened with water and neutral detergent, rubbing it all over the surface. Remove the remaining detergent with a clean cloth dampened only with water. Then, dry the surface. It is advisable to test any new cleaning agents on areas which are not on view

Warnings

To preserve the finish, it is advisable to avoid abrasives, as they can scratch the surface; acids, as they could facilitate oxide formation; products containing bleach or chlorine; solvents. If these substances come in contact with the surface, rinse thoroughly. Prolonged contact with some substances can generate halos. It is advisable to rinse thoroughly in case of spillage on the surface.
