

Finishing **PROTECTED POLISHED WATER WAVE COPPER**
Code **GFO0083**
Family **FABRIC, COPPER**
Category **50**

Materials

- Copper

Availability

- Sheet

Description

A perfect reference to sea waves thanks to the light hammering on its real polished copper base, which highlights all its brightness and three-dimensionality, creating beautiful light effects. Its protection is suitable for home furnishing environments.

Use

- Indoor
- Horizontal surfaces
- Vertical surfaces

Cleaning and maintenance

Use a cotton or microfibre cloth dampened with water and neutral detergent, rubbing it all over the surface. Remove the remaining detergent with a clean cloth dampened only with water. Then, dry the surface. It is advisable to test any new cleaning agents on areas which are not on view

Warnings

To preserve the finish, it is advisable to avoid abrasives, as they can scratch the surface; acids, as they could facilitate oxide formation; products containing bleach or chlorine; solvents. If these substances come in contact with the surface, rinse thoroughly.

Prolonged contact with some substances can generate halos. It is advisable to rinse thoroughly in case of spillage on the surface.
