#### Description

This finish evokes the nuanced reflections of a cloud, a shade of colors that start from gold and gradually get darker, an elegant and refined finish, that enriches this noble material giving it a touch of originality.

#### Use

- Indoor
- Horizontal surfaces
- Vertical surfaces

#### Cleaning and maintenance

Use a cotton or microfibre cloth dampened with water and neutral detergent, rubbing it all over the surface. Remove the remaining detergent with a clean cloth dampened only with water. Then, dry the surface. It is advisable to test any new cleaning agents on areas which are not on view

#### Warnings

To preserve the finish, it is advisable to avoid abrasives, as they can scratch the surface; acids, as they could facilitate oxide formation; products containing bleach or chlorine; solvents. If these substances come in contact with the surface, rinse thoroughly. Prolonged contact with some substances can generate halos. It is advisable to rinse thoroughly in case of spillage on the surface.
